

BIG RIG APPRAISAL SOLUTIONS + SPECIALTY

PROFESSIONAL EXPERIENCE

- 1969 – 1987 Autobody and truck collision repair, light and heavy duty towing. Seven shops total.
- 1987 – 1992 **Staff appraiser for Colonial Penn Insurance**, handling most of CT All types of vehicles. Primarily Personal Auto.
- 1992 – 1999 **Home Office Field Supervisor for USF&G Insurance**, which was purchased in 1996 by St. Paul Fire and Marine. Supervised independent appraisers to include reinspections, and prepared heavy vehicle damage appraisals for Commercial Auto (insured dealerships), and heavy truck and bus fleets. During my tenure at USF&G I attended and graduated from the Vale National Heavy Truck Appraiser Program in PA. Territory included New England and Long Island, NY.
- 1999 – 2001 **ComSearch, Inc., Warren, RI**. Implemented and supervised a damage estimating program in five Auto Placement Center salvage yards, which eventually became Adesa Impact. This program was part of their Early Tow Program. In addition to managing the program I prepared the heavy truck damage estimates and provided total loss settlement values.
- 2001-2002 **Heavy Duty Claim Consultant for Murdock Claim Management, Windsor, CT.**
- 2002 – 2016 **Claim Manager for NGM Insurance, Auburn, MA**. Duties included managing a total loss unit, a salvage unit, and consulting on heavy trucks, RV's, specialty vehicles and equipment for the entire claim department. My position migrated to being a Corporate Claim Consultant for the entire claim department to include specialty valuations, reviewing and approving payment on heavy truck and equipment estimates written by independent appraisers, and inspecting and /or handling of complicated claims involving heavy vehicle losses.
- 2017 – Present **Owner / President of Big Rig Appraisal Solutions & Specialty.**
