Founded by Appraisal Expert, Dennis Tevlin, **Big Rig Appraisal Solutions + Specialty** brings over 28 years of experience to each appraisal. Offering a full range of estimating services for Heavy Trucks, Motorhomes and Towable RVs, we have the skills needed to accurately assess complex damage to include accurate identification of incomplete truck chassis. Our service area is New England and the East Coast.

## Damage Estimation

We will physically inspect and complete an estimate for actual damage, accurately calculating for loss of use, parts availability, labor, depreciation, incomplete chassis, options, customization packages, as well as other factors that can be missed by less experienced claims adjustors. Currently licensed as an appraiser in CT, RI, NY, MA.

## Heavy Truck Total Loss

Total loss evaluations to determine actual cash value and actual market value. We will document costs of recovery, haz mat cleanup, towing and storage, salvage bids and salvage movement. Currently licensed as an adjuster in CT, RI, NY, NC, SC, DE, FL.

## Expert Witness

Big Rig Appraisal is a heavy truck appraisal firm with over 28 years experience in damage estimation, heavy truck total loss, and incomplete chassis identification and assessment. Services include expert witness deposition and trial testimony, site investigation, data acquisition and analysis, litigation consulting, report preparation, and demonstrative exhibits.
